Authors are asked to submit a one-page abstract. Please insert the body of your abstract here. Font should be Times New Roman, 11pt, 1.15 line space. If you use MSWord, please use this template to start writing your manuscript, but make sure that in the page setup the paper size is set to A4 (please avoid using any other page size). Keep margins as follows: top 1.25cm, left 2.5cm, right 2.5cm, bottom 2.5cm. Maximum text length is 2500 characters excluding spaces. Tables and figures can be included below, directly on this file before the references. The total length of the abstract including text body, references, figures and table should not exceed one page. Insert authors and affiliations just below the title. Underline the presenting author, mark with a * the corresponding author and insert her/his email address. Information in this file must match those in the submission form. References: The reference list should be written as in the examples given hereafter for articles in journals [1], books [2], papers in a contributed volume [3], and thesis or unpublished work [4].
